

UNITED CUP 2023

WELCOME MESSAGE FROM THE HON ROGER COOK MLA, DEPUTY PREMIER; MINISTER FOR TOURISM

The Western Australian Government, through Tourism Western Australia, is delighted to co-host the United Cup.

We're proud to sponsor this exciting new international mixed team tennis event after proudly supporting world-class tennis through the Hopman Cup and ATP Cup for more than 30 years.

The United Cup, which replaces the former ATP Cup, has attracted the sport's global superstars to Perth, including Stefanos Tsitsipas from Greece and Caroline Garcia from France. We're thrilled to have the opportunity to showcase the best players in the world through this innovative blockbuster event.

They will be joined by top players from Argentina, Belgium and Croatia, all playing for their country in this historic season-opening tournament.

Along with the teams competing, we are also pleased to welcome the many interstate and international visitors to Western Australia that have come here to cheer on players and enjoy the many attractions of our world-class capital city.

Perth boasts beautiful sunny weather which is ideal for enjoying the natural beauty of the Swan River; the stunning flora in one of the world's biggest inner-city parks, Kings Park; and our many sparkling beaches, just to name just a few attractions.

Just a short trip from the CBD is the premium wine and gourmet food region of the Swan Valley, and the aquatic playground of Rottnest Island – home to the world's most friendly and famous marsupial, the quokka.

Our State is a wondrous, dreamlike place. With jaw-dropping landscapes and one-of-a-kind experiences that inspire a sense of unparalleled freedom, we invite visitors to explore Western Australia's otherworldly tourism experiences and discover these unique attributes for themselves.

We hope everyone who is visiting WA takes the opportunity to stay longer and discover why our State is such a fantastic holiday destination.

Finally, we wish all competitors the best of luck for what promises to be a thrilling display of the world's best talent, as tennis history is made here in Perth for the debut of the United Cup.
