

WELCOME MESSAGE FROM ADRIAN SCHRINNER; LORD MAYOR OF BRISBANE

Welcome to Brisbane! You are part of history, witnessing the world-first United Cup at the world-class Queensland Tennis Centre.

This new mixed-team event is set to bring the world's best players to Brisbane while injecting millions into local businesses off the court.

Brisbane City Council, through Brisbane Economic Development Agency, is proud to partner with Tennis Australia and Tourism and Events Queensland to bring tennis back to the city after nearly three years.

If you're visiting for the event, I encourage you to soak up the sights and sounds of Brisbane to experience everything our vibrant city has to offer.

Discover our outdoor urban adventures, tree-lined boulevards, incredible cultural attractions and diverse live entertainment scene. Have a bite to eat at one of our alfresco restaurants and explore our burgeoning lifestyle precincts such as James Street, Howard Smith Wharves and Fish Lane.

Brisbane is the best of so many worlds. Experience it for yourself and enjoy your time here!

Adrian Schrinner
Lord Mayor of Brisbane
